

Hi Jason,

Just a quick note, I have been selling real estate for over 23 years now and would like to congratulate you on a job well done.

You have done what others cannot seemed to do and that is "keeping all up to date on the loan process" There have only been 1 or 2 in my career that have maybe come close to what you have done but never have I been so happy to not have to wonder about where the loan process is. With you and your company that worry has been lifted.

I hope you continue to do what you have been doing.

Thank you for doing such a great job.

Terry R. Kasberg

Thanks to both of you for all the hard work and very fast closing on our home. We appreciate your services very much and would recommend both of you to anyone.

Thanks again for treating us like family. You both owe me a golf date.

Hello Jason:

Thank you for the updates. You folks are GREAT.

Hi Pam, just wanted to thank you and Jason for helping me and Angela on closing and financing on this house. Thank you again for your hard work.

Hi John/Jason.

We are just settling in here in FL and wanted to thank you both for all you have done to make this happen for us. We closed on our home in MA just 10 days after closing here. It is nice to be in the warmer climate, and nice to know we do not have to worry about an empty house back home in MA.

It was a pleasure doing business with you both, and if we have any friends wanting to come south I will refer them to you.

Thanks again for everything!
