Dear Parents and Guardians of all Repertory Company Students:

Welcome to and welcome back to RCHS! With your child's admission to RCHS you are an automatic member of the PTA! This school has been a wonderful place for students to grow in their studies and increase in their personal talents. It is a dynamic place that changes and adapts to the needs of each incoming class.

The teachers all work so many extra hours and willingly share their talents with each student. As parents we can help this place succeed with our participation in a few ways... By attending any PTA meeting, helping out at any show and coming to see all the performances, we can help this school be a great place for all our students.

Our first goal as parents together is to raise **\$2017 by Thanksgiving** for the beginning of this 2017 school year. Right away we are looking for some special people to donate as much as they can in whatever amount. We hope that we can count on all the families to participate to have 100% support of this initial **\$2017 Fund Drive**.

This goal of this year's fundraiser is to generate money to purchase 26 new MacBook Air computers as well as provide the school with a new sound and lighting board. These new items will benefit all of our kids and together will be over \$50,000. We are applying for grants for these big items, but parent participation is an important part of our goal. The PTA also supports Teacher & Staff Appreciation, Freshman T-shirts, various events and show production needs throughout the year.

We have over 200 families at RCHS. Suggested donation to the yearly fund drive is \$20.
