

DCCW Convention Poster Session

Share Your Blessings

We want to see what exciting things our DCCW Affiliates and Deaneries have been up to this year. Design a poster and share your stories. We all like to gather new ideas. Don't miss out on the chance to show off your Council.

Helpful hints:

- Posters should be brought to the convention during registration on Saturday morning.
 - Hostesses will direct you on where the posters will be displayed.
 - Poster boards with tri-fold design are suggested, as they are easy to display
- It is recommended you bring your own easel. We are not permitted to hang items on the walls of the hotel. Easels or tables will not be available.
 - Be sure to take your posters and easels home after the convention.
