

# KITSAP COUNTY HEALTH STATUS ASSESSMENT, 2019 SUMMARY

The following pages include high level summary information for indicators in the quantitative report. In the columns labeled A and B, a green arrow up or down indicates better over time or compared to WA State; red is worse; a black arrow up or down indicates a statistical change that is neither better nor worse; and a horizontal black arrow indicates no statistical change over time or not statistically different from WA. In the columns labeled C and D, Y indicates a 10% or greater difference (disparity) between any sub-county geographic area or race/ethnicity group, N indicates no difference. A cell left blank in columns A-D means those data were not included in the report.
