Application for Insurance Notice of Insurance Information Practices

Ameritas Life Insurance Corp. ("Company") P.O. Box 81889, Lincoln, NE 68501 / 800-745-1112, Fax 402-467-7335

To issue an insurance policy we need to obtain information about you and any other persons proposed for insurance. Some of that information will come from you and some will come from other sources. We may obtain information relating to any proposed insured's mental and physical health, general character and reputation, habits, finances, occupation, other insurance coverage, or participation in hazardous activities.

This information may be obtained from physicians, medical professionals, hospitals, clinics or other medical care institutions, or from MIB, Inc. ("MIB"), public records, consumer reporting agencies, financial sources, other insurance companies, producers, friends, neighbors and associates. We may obtain information through exchanges or correspondence, by telephone or by personal contact.

Information regarding your insurability or claims will be treated as confidential. The Company or its reinsurers may, however, make a brief report thereon to MIB, a not-for-profit membership organization of insurance companies, which operates an information exchange on behalf of its members. If you apply to another MIB member company for life or health insurance coverage or a claim for benefits is submitted to such a company, MIB, upon request, will supply such company with the information in its file. Upon receipt of a request from you, the MIB will arrange disclosure of any information it may have in your file. If you question the accuracy of information in MIB's file, you may contact MIB and seek a correction in accordance with the procedures set forth in the federal Fair Credit Reporting Act. The address of the MIB's information office is 50 Braintree Hill, Suite 400, Braintree, Massachusetts 02184-8734; telephone number (866) 692-6901 (TTY 866-346-3642); website address www.mib.com. The Company or its reinsurers may also release information in its file to other life insurance companies to whom you may apply for life or health insurance, or to whom a claim for benefits may be submitted.

Furthermore, as part of our procedure for processing your insurance application, an investigative consumer report may be prepared whereby information is obtained through personal interviews with your neighbors, friends, associates, or others with whom you are acquainted.

This inquiry and any subsequent investigative consumer report update which may also be requested includes information as to your character, general reputation, personal characteristics, and mode of living.

You have the right to be personally interviewed if we order an investigative consumer report. Please notify our producer if this is your wish. You are also entitled to receive a copy of the investigative consumer report whether or not an interview is conducted. You also have the right to make a written request within a reasonable period of time to receive additional, detailed information about the nature and scope of this investigation.

To reduce costs and offer insurance coverage at the lowest possible premium, the Company may also use a Personal History Interview. A specially trained interviewer may call to discuss information contained in your application or to ask questions related to the underwriting of your insurance. We will attempt to conduct this telephone interview at your convenience and at a number you designate.

In the event of an adverse underwriting decision, upon written request, we will provide you with the specific reason in writing for that adverse underwriting decision.

As a general practice, we will not disclose personal information about you to anyone else without your consent, unless a legitimate business need exists or disclosure is required or permitted by law. A description of the circumstances under which information about you might be disclosed without your authorization will be sent to you upon request.

You have a right of access to personal information we maintain in our files and to request correction, amendment, or deletion of any information you believe to be incorrect. You may request a description of established procedures which will allow access to and correction of such personal information.

If you wish to have a more detailed explanation of our information practices, including your rights of access to and correction of personal information, please contact the Underwriting Department at the above address.

Important Notice: Replacement of Life Insurance or Annuities

Ameritas Life Insurance Corp. P.O. Box 81889, Lincoln, NE 68501 / 800-745-1112, Fax 402-467-7335

This document must be signed by the applicant and the producer, if there is one, and a copy left with the applicant.

You are contemplating the purchase of a life insurance policy or annuity contract. In some cases this purchase may involve discontinuing or changing an existing policy or contract. If so, a replacement is occurring. Financed purchases are also considered replacements.

A replacement occurs when a new policy or contract is purchased and, in connection with the sale, you discontinue making premium payments on the existing policy or contract, or an existing policy or contract is surrendered, forfeited, assigned to the replacing insurer, or otherwise terminated or used in a financed purchase.

A financed purchase occurs when the purchase of a new life insurance policy involves the use of funds obtained by the withdrawal or surrender of or by borrowing some or all of the policy values, including accumulated dividends, of an existing policy to pay all or part of any premium or payment due on the new policy. A financed purchase is a replacement.

You should carefully consider whether a replacement is in your best interests. You will pay acquisition costs and there may be surrender costs deducted from your policy or contract. You may be able to make changes to your existing policy or contract to meet your insurance needs at less cost. A financed purchase will reduce the value of your existing policy and may reduce the amount paid upon the death of the insured.

We want you to understand the effects of replacements before you make your purchase decision and ask that you answer the following questions and consider the questions on the back of this form.

1. Are you considering discontinuing making premium payments, surrendering, forfeiting, assigning to the insurer, or otherwise terminating your existing policy or contract? Yes No
2. Are you considering using funds from your existing policies or contracts to pay premiums due on the new policy or contract? Yes No

If you answered "yes" to either of the above questions, list each existing policy or contract you are contemplating replacing (include the name of the insurer, the insured or annuitant, and the policy or contract number if available) and whether each policy or contract will be replaced or used as a source of financing.

Insurer Name	Contract or Policy #	Insured or Annuitant	Replaced (R) or Financing (F)

2. _____	_____	_____	<input type="checkbox"/> R <input type="checkbox"/> F
3. _____	_____	_____	<input type="checkbox"/> R <input type="checkbox"/> F

Make sure you know the facts. Contact your existing company or its agent for information about the old policy or contract. If you request one, an in-force illustration, policy summary or available disclosure documents must be sent to you by the existing insurer. Ask for and retain all sales material used by the agent in the sales presentation. Be sure that you are making an informed decision.

Important Notice: Replacement of Life Insurance or Annuities

A replacement may not be in your best interest, or your decision could be a good one. You should make a careful comparison of the costs and benefits of your existing policy or contract and the proposed policy or contract. One way to do this is to ask the company or agent that sold you your existing policy or contract to provide you with information concerning your existing policy or contract. This may include an illustration of how your existing policy or contract is working now and how it would perform in the future based on certain assumptions. Illustrations should not, however, be used as a sole basis to compare policies or contracts. You should discuss the following with your agent to determine whether replacement or financing your purchase makes sense:

Premiums

- Are they affordable?
- Could they change?
- You're older — are premiums higher for the proposed new policy?
- How long will you have to pay premiums on the new policy? On the old policy?

Policy values

- New policies usually take longer to build cash values and to pay dividends.
- Acquisition costs for the old policy may have been paid; you will incur costs for the new one.
- What surrender charges do the policies have?
- What expense and sales charges will you pay on the new policy?
- Does the new policy provide more insurance coverage?

Insurability

- If your health has changed since you bought your old policy, the new one could cost you more, or you could be turned down.
- You may need a medical exam for a new policy.
- Claims on most new policies for up to the first two years can be denied based on inaccurate statements.
- Suicide limitations may begin anew on the new coverage.

If you are keeping the old policy as well as the new policy

- How are premiums for both policies being paid?
- How will the premiums on your existing policy be affected?
- Will a loan be deducted from death benefits?
- What values from the old policy are being used to pay premiums?

If you are surrendering an annuity or interest sensitive life product

- Will you pay surrender charges on your old contract?
- What are the interest rate guarantees for the new contract?
- Have you compared the contract charges or other policy expenses?

Other issues to consider for all transactions

- What are the tax consequences of buying the new policy?
- Is this a tax-free exchange? (See your tax advisor.)
- Is there a benefit from favorable "grandfathered" treatment of the old policy under the federal tax code?
- Will the existing insurer be willing to modify the old policy?
- How does the quality and financial stability of the new company compare with your existing company?

Typically a "policy illustration" is provided to help you understand, in general terms, how a policy will work. A policy illustration shows policy premiums, death benefits, cash values and information about other items that can affect the performance of your policy. Because a policy illustration for the specific policy you are applying for was not provided, we ask that both you and your agent acknowledge:

1. Either no policy illustration was used when recommendations were made by my agent or the illustration provided was different than the policy applied for, or
2. A computer screen illustration for the policy applied for was displayed but not printed, and
3. I understand an illustration reflecting the actual policy issued as a result of this application will be provided at the time of policy delivery.
