

Melonie Unger - Supply list for the Wool Cabin:

Kit from Granny's Legacy - contains pattern & wool

(if Students want just the pattern and use their own wool, that's ok, but I think it's easier for Log Cabin to just purchase the kit.)

Valdani threads to match their wool (DMC works too)

Chenille #24 needles

1 yard heat-n-bond lite or freezer paper

If using freezer paper you will need small appliqué pins

small scissors

big scissors

#2 pencil
