

### Year End Report 2015

This year Sam's Covers nearly \$6,500 in total value. We donated 210 blankets, 15 pjs, 3 boxes of toiletries, and more. We donated these items to SAMMinistry and Roy Mass Youth Alternatives. We started making blankets as early in the summer. We partnered with Rainbow Station, a daycare center, to donate toiletries. In September, we partnered with Holy Trinity's First Communion class to donate and make blankets, they helped us make 80 blankets. Girls Scout Troop #3001, also helped us make blankets. We had our fund raising event in November. Then we delivered the blankets and pjs on Thanksgiving week. This was the first year the we interacted and handed the blankets to the recipients.
