

## 2017 CACC Summer Camp REGISTRATION & PAYMENT QUICK FACTS

**Who is CACC Summer Camp For?** CACC Summer Camp is ideally for children who are *ready to enter first grade through children who have completed eighth grade*. Children who enjoy learning about the world around them, are curious about other cultures, and have varied interests find CACC Summer Camp to be a fun and rewarding experience. CACC Summer Camp is where learning is fun!

Children are divided into small groups by age and guided through activities by instructors and camp counselors. CACC Summer Camp's activity roster has an abundance of fun activities for various ages. For activities that involve all of the campers as a group, such as special performances or multi-station activities children will be encouraged to stay in their assigned group. That said, we do understand that occasionally siblings may wish to be with each other during full-group activities, and as such, siblings may be allowed to do so depending on the activity at hand.

When not on a camp field trip, all camp activities are conducted at CACC (1313 Little Baltimore Rd.; Hockessin, DE 19707).
