### **SCHOOL CLOSINGS DUE TO STORMS**

Please dress modestly to bring and pick up your children.

**COURT ORDERS:** Liberty Christian School abides by all legally served court orders. Parents are responsible to submit a copy of court orders that pertain to the school to be kept on file in the school office.

### **DISCIPLINE POLICIES:**

We believe discipline is a positive process of setting limits and boundaries that are governed by love and respect in order to help children develop behavior for successful living.

Our school verse is Proverbs 22:6 *"Train up a child in the way he should go; and when he is old, he will not depart from it."*

A combination of love and discipline is essential for healthy child development. Teachers are encouraged to give children a balance of **love**, which helps us understand them; **respect**, which helps us value each child as a special individual; **order**, which requires from the teacher enough firmness and intelligent control to create a satisfactory personal and group environment; and **impartiality**, which leads us to treat children both uniquely and consistently.

Learning takes place in an environment which includes discipline and order. We support our teacher's efforts to properly instruct, lead, and discipline their students. Every student is expected to follow the rules and policies of LCS.

Effective discipline is the result of consistency and communication between parents and teachers. Daily notes are used as a way of communication in preschool.

**Methods of Discipline**

1. The first method of discipline is redirection (encouraging the child to a new interest.)
2. If redirection does not result in appropriate behavior the next step is time out where the child can think about his actions and the consequences.
3. If a child displays consistent aggressive behavior towards other students or staff members the principal will call a conference and expulsion may be necessary.

LCS discipline policy prohibits all childcare personnel from subjecting any child in their care to any humiliating, frightening, or severe punishment of any sort which includes spanking, withholding food, rest or toileting. Any form of physical punishment is absolutely prohibited at all times.

**DISMISSALS:**

Any of the following will result in your child's dismissal from LCS:

1. Tuition is delinquent for two weeks without satisfactory arrangements having been made with the financial office.
2. A student's poor conduct, attitude, or aggressive behavior.
3. Parents will not cooperate with the policies of the school.

**FUNDRAISERS:**

Each family is encouraged to participate in our fundraising activities as tuition does not cover the full expenses of educating a child at LCS. We use fund-raisers and depend on tax-deductible gifts to help us meet our budget requirements.

**ACCIDENTS/INSURANCE:**

LCS has a program of safety awareness with frequent inspections by the Pinellas County License Board, the Fire Marshall, and the Health Department.

If an accident occurs that requires medical attention, please contact your health insurance provider for reimbursement of the medical costs. LCS does not carry student accident insurance. Medical requirements for student injuries suffered at school are the responsibility of the parent.
