

'The Living Passover' returns to LightHouse

"The Living Passover," the Easter musical extravaganza, returns to LightHouse at Hayes, with a total of eight performances running from March 18-31. The show is being presented by LightHouse with the support of other churches across the Hampton Roads area.

"The Living Passover presents the message of Christ's life from the many different perspectives recorded in the New Testament," said Pastor Greg Ashley, who writes and produces the musical every year.

"The only portion that remains the same each year is the passion element of his triumphant entry, death, burial and resurrection. This year, the storyline that precedes the passion is written from the perspective of the blind man and his family as recorded in the gospel of John," Ashley added. "It is a powerful story of the love of Christ to transform and resurrect even the most hopeless of situations. The new characters, costuming, glorious sets and deeply inspiring musical compositions is an exciting part of coming to 'The Living Passover' year after year.

"We believe that God is always doing new and powerful things in the lives of His people, and each year a musical is written to capture and present a powerful word of hope that can only come from Him," he said.

Ticket prices to the show are \$15 per person. As an added bonus, prior to Saturday's showings, LightHouse also offers to its guests the option of purchasing a meal. The menu is Roasted Rosemary Leg of Lamb, Mediterranean Marinated Grilled Chicken, Broiled Garlic Red Potatoes, Fresh Sautéed Green Beans, Traditional Breads and Fresh Fruit Compote. Guests

are served by the cast members in colorful costume.

Meal tickets are \$10 each and tend to sell out Saturday shows quickly. Group rates of 15 people or more are also available.
