ABOUT THE TEACHER

I was born and raised here in St. Petersburg. I've come from a family of educators. My aunt, mom and sister are all teachers of early childhood. I began my journey here at Liberty over ten years ago teaching the young threes. Now I'm so very excited to be teaching VPK. I have a passion for teaching children. I believe in the power of education. My goal is to help every one of my students reach their fullest potential, believing "We can do all things through Christ which strengtheneth me."

Our highlights this year are to know all our colors, shapes, numbers, letters and blends so by the end of the year all my children should be reading to their families at home.

When I'm not teaching I love spending time with my husband and my son. We enjoy movies, fun at the park and a great book.
