

## 2021 -2022 **MONTessori2YOU** REGISTRATION INFORMATION

Emerson Academy is the first and only fully Bilingual Montessori and French Immersion Private School in the Durham region. Our school delivers the best of both worlds – we are recognized for providing all students with an exceptional Montessori experience and enriched early elementary curriculum, in a family-friendly environment, immersed in both of Canada’s official languages: English and French.

With us, your child’s bright future is created by design today. From 18-month-old toddlers to preschool children and into early elementary (Grade 1 / 2), students can now benefit from an enriched PRIVATE, IN-HOME curriculum. In the comfort of your home, individually and for up to 4 students, we will nurture and support each child holistically based on their own needs and potential, safely and with stability in what has otherwise proven to be rather tumultuous times.

**Choose your frequency (3 or 5 half or full days per week, where available) AND your child’s curriculum!**

**Select from:**

- **Montessori Magic:** Full Montessori instruction by a Montessori trained and experienced teacher, delivered in English and covering all aspects of traditional Montessori methodology: Language, Mathematics, Practical Life, Sensorial, and Visual Art and Character Development. Children whose parents opt for 5-day per week programs further benefit from additional lessons in Geography, Biology, Botany, Zoology, and Culture.
- **Moving Forward with French:** Identical Full Montessori instruction by a Montessori trained and experienced teacher as described above, delivered in both English and French, or choose afterschool homework help in French with tutoring and oral communication help for students attending or preparing to attend French Immersion.

An initial assessment is conducted for all children at the start of September/their first month with us to determine the best starting point for their curriculum. Progress reports are also provided at the end of December and June thereafter.

## Code of Conduct

At Emerson Academy, each child is respected as a unique individual. As educators, our role is to help children develop and maintain a high self-esteem while facilitating a positive learning environment inside and outside of the home.

Our school's **code of conduct** holds that Emerson Academy educators, students and campers alike are all expected and encouraged to

- be honest, fair, polite and responsible
- help others, and make the school a safe and positive and inviting place for all.
- look after their possessions, other individuals' possessions, and the school's possessions with care and attention.
- communicate feelings effectively - never using aggressive words or behaviours
- take the time to address difficult situations or difficult individuals in a positive manner, and to involve a teacher/staff member to help discuss the issue or concern in order to resolve the situation amicably where necessary.

Every staff member makes a conscious effort to focus on the positive side of discipline. Our disciplinary practices are based on empathy and respect for children and their parents. School administration and/or the Head of School will become involved when major disciplinary action is required as a result of repeated or severe breaches of the code of conduct. In such cases, there may be consultation with Emerson Academy faculty/staff, parents/guardians or other students, as deemed necessary. In all cases, procedural fairness will be exercised, but at no time will derogatory language, inappropriate behavior, or aggressive acts by any parent, child or staff member be tolerated.
