

Adult Education (Online Classes Only)

GED PREP (Pre-recorded) FALL 2022 go on sale September 13, 2022

Adult students work in an online classroom setting to effectively prepare for their high school equivalency test. Students receive weekly assignments tailored to the tests and standards, interaction with a NJ Certified Educator, practice tests, quizzes to support learners of all levels and personalized academic technical support in math, science, social studies, reading, and writing. The class supports learners ages 16 and older. (Classes are not live they are pre-recorded to best fit your needs.)

Tutoring

Adult students are highly recommended to take the online class before tutoring. Tutoring for adult learners includes students providing the known areas of weakness they

would like to work on for extra support. Lesson plans or curriculum are not offered with this service.

ESL (English as a Second Language)

ESL classes prepare students to fully engage with their communities. English learners benefit by being informed and achieving a level of inclusiveness that enhances their lives. THE LITTLE GREEN HOUSE Educational Services offer ESL classes to help you become an involved active member of the community.

Contact: info@learnlivegreen.com for more information on how to purchase your online GED PREP class.
