

## **Worship IS...**

*I Surrender ALL*

Is 6:1 - 9a

What is worship really? Worship is our response to an encounter with God. And the one word that best describes the only acceptable response to God's revelation is surrender! True Worship involves "*seeing*" Almighty God. God initiates worship! Now "*seeing*" we respond in total surrender...  
*I Surrender all!*

In Isaiah 6, we see that true worship is *total surrender* that involves:

1. **Revelation** (v.3) – God initiates worship. God reveals Himself.  
*"To these He also presented Himself alive..."* (Acts 1:2-4)
2. **Confession** (v.4-5) – We "*agree*" with God about our condition....  
Confession mean lit. : "*saying the same thing*"
3. **Cleansing and Forgiveness** (v.6-7) – (1 Peter 1:6-9)  
Symbol of "*burning Coal*" = cleansing is costly and often painful but with great reward!
4. **Thanksgiving and Praise** – (v.2-3)  
Eph 5:18-21 / Hebrews 10:25
5. **Proclamation** (v.8a) – Once we have been touched by God, we will share our story of Jesus and His love!! (Romans 10:13-15)
6. **Consecration** (v.8b) – The truth is God wants **All** of you!  
Rom 6:12-13/ Rom 12:1-2
7. **Commissioning** (v.9) – God's call to a mission with purpose...

We leave the place of worship transformed, totally consumed with His Glory and a new mission and purpose, to never be the same again.
