

Friendly

We will be committed to utilizing Positive Behavior Interventions & Supports to create a climate that is safe, respectful, & responsible in order to support learning.

Understanding

We will be committed to student and adult learning.

Transparent

We will share our knowledge, as well as our uncertainties. open, honest systems will improve and overcome obstacles. We will develop trust with all stakeholders through communication and transparency.

Upstanding & Accountable

As individuals and a program, we will be productive.

We will work together to achieve better results by maximizing resources. We will work smarter and coordinate our efforts toward a common mission and purpose. We will hold ourselves, our colleagues, and our students to high standards. Adults and students alike rise to high expectations.

Respectful

We will treat each other, our students, our families, and our community in an ethical and respectful way.

Expert

We will be experts in our field and provide training that supports our staff, students, families, and the community.

Service

We exist to serve. We will have an attitude of service to our students, our parents, our districts, and our community.
