

Pentwater Sportfishing Association Teach A Kid Fishing Tournament Results - 2024

This year's event was held on August the 3rd and at 6:00 a.m. the anxious young group started fishing in the Pentwater Sportfishing Association Teach A Kid Fishing tournament. Eleven boats took out 27 youngsters and fished until the Noon weigh-in at the Village Marina. The goal is to teach young anglers the 'how to' of big lake fishing and appreciate the resource available in Lake Michigan for the future of our sport.

As the coolers of fish lined up for the weigh-in, PSA had the picnic lunch ready for the kids and supporters to get everyone ready to cheer for the big fish and congratulate the kids.
