

# NAPA VALLEY QUILTER'S MARCH 2018

Welcome to March my Quilting friends. Its been a busy last few weeks with lots of traveling and discovering new places (aka new quilt shops). I spent some time in Boise with the family and the next day went over to the Sacramento Delta area for one of my granddaughter's birthdays. As a family we usually try to celebrate holidays and especially birthdays by getting together with family and friends to camp. Let me be honest with you all, we're not tent camping anymore. I need my comforts.

I met with folks at the Senior Center this morning to go over our plans with Bonnie Hunter. The workshops held on April 15<sup>th</sup> and 16<sup>th</sup> will both be at the Senior Center. This is good news to us all. We will not need to relocate during the spring. The remodeling project has been delayed for 3-4 months while they wait on new bids. We will continue to meet as usual till they tell us differently.

Please feel free to contact me for any suggestions or questions.

## Saturday 12 May

Our Program will be a "Round Robin" day of demonstrations.

If you have a skill you can share with the guild - we'd like to give you the platform.

Looking for members, with a particular ability, to exhibit and explain how it is done - in 10 minutes or less.

Hoping to get five or six volunteers to set up "stations" and conduct

mini-classes for a "speed dating" type of learning.

If you have an interesting collection - we'd like to see it.

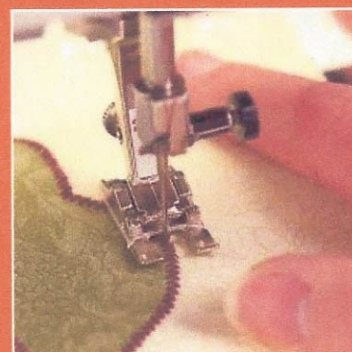

If you have learned a "better" "faster" "easier" way of doing a quilting task - we want to see it.

If you can teach a newcomer something you wished you'd learned in the beginning - they want to know it!

Contact Michelle Moore 254-0470.
