

HAUSER BUSINESS ENTERPRISES INC

Hauser Business Enterprises is a versatile company that specializes in providing only the highest quality and most timely delivery of our wide offering of services. Our modest size imparts us the advantage of giving each operation we perform the full attention our customers desire. We are always available and ready to respond to requests in mere minutes, where larger companies may take hours or days to implement change. It is our commitment to our superior process that enables us to provide customers with superior results. Our long term goals are to continue to diversify the operations that we support at HBE and expand the list of customers that we provide service to.

FABRICATION-We offer the ability to repair, modify and manufacture all of your rack/container needs. We employ specialists, who are certified welders in the United States and Canada, capable of completing these tasks in a timely manner while not sacrificing the quality of their work. We are able to work with specifications provided, but also formidable at creating designs to fit the job.

TOOLING-Our facility has numerous pieces of equipment to work with all aspects of metal. We have the capability to cut, bend, lathe, mill, drill, punch, and more. Our CNC plasma table allows us to cut complex designs and mere moments.

DESIGN-We have engineers on staff to design projects based on customer's requirements using the latest Solidworks software.

Contacts

Our office hours are 8am-4pm Monday - Friday, but we are available all hours of the day by phone or email.
