Sep 1906	Planning application for houses in 2 + 18 houses Highland Street by H. Clark, but Highland Street was already built up, could be for Morley Road which is a continuation of the street. 2 could be 14-16, 18 2-12 & 1-23	95
1910	Ordnance Survey map shows wall separating the two streets	42
	<p>W.A Morley was a councillor for Portsea from 1901-1909 and sat on the roads committee. He was a partner in Walker, Morley &amp; Co, ironmongers of Queen Street, later Commercial Road. He is listed with residence in Portsmouth and Bembridge in 1908-1909 which may possibly give rise to Bembridge Crescent which is nearby and the name of this road. There is no sign of the Morley family living in the street.</p> <p>Highland Street was built earlier as a cul-de-sac south of Highland Road, after which maps show a gravel pit, however, the end of the street or wall do not align with earlier field boundaries.</p>
