

President's Report

Here we are again, getting ready for Rallies. Hopefully everyone has added the dates to their 2020 calendars, so that you are ready to go. Mostly we will be visiting our old favorites, but Dick Reed, our new Wagonmaster, has added two locations:

The first one in April will be at Gilroy Garlic RV Park. If you've never been there, they have a nice clubhouse and a special area close by for Clubs to park their rigs. There are so many things to do in the area. Nearby are the factory outlets, Mission San Juan Bautista and the Gilroy Gardens. The gardens are mature and lovely, with beautiful walking paths and some "family rides". Within an hour's drive you can also visit either Santa Cruz or Monterey to get your "ocean fix". So much to do, you may want to go in early or stay a few days late!

In May we will be at the Nevada County Fairgrounds. This will be a first for us. It has a clubhouse and the park is in a forest setting. So close to both Grass Valley and Nevada City that we won't be lacking for things to do and see.

At the last General Meeting, we decided to waive the rally fees and membership dues for 2020. However, we still need you to fill out a membership form to show that you still want to be a part of Chapter 24 and update your information. If you didn't do that yet, the form is attached to this email.

Always remember that our rally schedules and registrations forms as well as other necessary documents are on our website

at www.goldnugget24.org. Bookmark it on your browser, so that it is easier to find.

Monthly Luncheons... we have moved to Perko's on Sunrise Blvd, in Citrus Heights at 11:30 am. We need a Luncheon Host. Now that we have a location that seems to be working, we need someone to remind the restaurant each month that we will be there and pass around an attendance sheet. Please let me know if you can help us with this.

If you have ideas, questions or suggestions about Chapter 24, please call, text or email me.

Hope to see each of you at a rally, soon!

Jackie Friday

🙄 In other news: Marilyn Johnston reports that she sent a get well card to Charlie Messer. Charlie suffered a mini stroke, underwent stent placement surgery, and has been hospitalized three times since January 27th. She is currently in the hospital undergoing tests after another mini stroke, but hopes to be home soon.

🏖️ Vacation news: Phil & Kathy Honig vacationed at their condo in Maui for two weeks in January where they enjoyed watching the sunrise over Haleakala (a dormant volcano) every morning, whales breaching in the bay, turtles, warm breezes and listening to the ocean waves. See pictures taken from our lanai.

Be sure to review the General Meeting minutes, Rally Schedule and the Registration Form attached below. If you haven't registered, please fill out the form and mail it today. We want to have the most current information for you and it's free for 2020.
