

This year's program will be a keepsake- like in the past. Your family may purchase a space in the program to place your student's picture and/or a message.

There are 4 different sizes of program space, ranging from \$10.00 - \$35.00 (on back of this sheet). Because of copyright laws, these pictures need to be personal snapshots **OR we can use a photo taken at dress rehearsal.** If using your own photo your photo needs to be emailed to the studio and this form needs to be given to the desk by May 22nd.
