### Watson's Woods

Dave Watson began sculpting works of art in chocolate, butter, cheese, and ice, 20 years ago as a chef. He traded in his culinary sculpting for wood sculpting after watching another chainsaw carver bring forth a beautiful carving out of a pine log. Dave travels around the United States doing several shows a year. His work is characterized by the usual production of bears and eagles, but he has a wide variety of carving ability including frogs, turtles, pigs, rabbits, trees, gnomes, wolves, dragons, totem poles and etcetera.
