## Camp Guidelines

### Lake and Dam Areas

Stay on the paths and away from the water.

PLEASE do not play near the water!

### Upper Lake and Canoes

There is NO lifeguard on duty at the Upper lake. Children under age 18 must have adult supervision. Wear life vests in the canoes at all times!

### Pool

Lifeguards are available Monday-Friday during recreation time. Do *not* swim in the pool without a lifeguard! Parent or adult supervision at the pool would be *greatly* appreciated.

### Shoes and Clothing

Shoes are required at all times. Clothing needs to be modest. Shirts are required.

### Bikes

Bikes may be ridden in the grass and on the graveled surfaces. Please do not ride bikes inside the tabernacle and, as always, be respectful of the elderly and of pedestrians.

Take it slow.

### Storm Shelter

In the Event of bad weather, campers are encouraged to gather quickly into the basement of the caretaker's house. The restrooms up the hill from the tabernacle are another consideration. In an emergency, please take cover at the nearest shelter.
