From the Editor

Hello everyone,

Well Spingfest was a little modified due to Mother Nature bringing in a monsoon Saturday. All events were moved to Friday but overall things went smooth. Saturday awards were presented in the Festhalle. Lillian was presented with a beautiful, handmade Springfest clock that Danny Robertson of Vulcan Corvairs made. The Corvair at noon is a picture of James Law standing beside his Rampside.

Winners are listed in the newsletter.

Hope to see everyone at Dickey Farms on the 8th for BBQ and homemade ice cream along with lots of other goodies for sale there.

Clay

From the Prez- Chuck Smith

Hello everyone, and welcome to the May issue of the "Vair Fax". Hope all are doing well. In case you were hiding under a rock, or in a dark cave somewhere, I am happy to say that we had Springfest this year. Attendance was outstanding, and even with the rain on Saturday, I believe everybody had a great time. Because of the weather, all events with the exception of the tech sessions had to be pushed back to Friday. Fortunately, Corvair folks are flexible, and just go with the flow. Most everyone understood, and all events took place. There is a more detailed article elsewhere in this newsletter, written by Steve Ratcliffe of Corvair Atlanta. (Thanks Steve!).

Please take notice that our May meeting will be a special outing! Details following, I hope everyone will be able to attend.

Take care,
get them Corvairs on the road,
and do something nice for someone!

Chuck

A note from Lillian

My sincere thanks to all Heart of Georgia members that attended and helped with Springfest. If you did not come you missed a great time.

Thanks

Lillian Law

CORSA Mini-Convention & Aviation Spectacular

Springfield, Illinois

May 19, 2021 through May 23, 2021

Hosted by the Prairie Capital Corvair Association

Mini Convention Info:

The Corvair Next Generation event for 2021 will be a CORSA-sanctioned Mini Convention, May 19-23, 2021. The event is being held again, to support the CPF and the CPF Museum. All proceeds after expenses will be donated to the CPF for the continued operation of the Corvair Museum.

The museum has moved to a new location just south of Springfield, Illinois near Glenarm. Being a sanctioned mini means that CORSA judges will be used for the Concours on Thurs-day.

A road rally on Friday, car display and Funkhana on Saturday, a cruise-in Wednesday night, drive-in movie Thursday, night at museum Friday and self-guided tours to Lincoln Sites and Historic RT66 sites being scheduled for each evening should provide something for every-one to do .

Aviation Spectacular!

Another one of our exciting features this year will be welcoming special guest, Mr. William Wynne of FlyCorvair.net, who is the authority for converting Corvair engines into aircraft powerplants. As part of the Friday road trip, Mr. Wynne and some of his aviator friends will be presenting an "Aviation Spectacular" event at a nearby airport where Corvair powered air-planes will be on display and; (weather permitting), flight demonstrations. Mr. Wynne will be giving a talk presentation about the history of Corvair flight at the Saturday night banquet. Invite your aviation friends who may find this fun and informative. You don't want to miss out on this. Anyone wanting further details about this particular event can contact Eva "Corvair Lady" McGuire at corvailady@gmail.com.

Host Hotel:

The host hotel is the car hobby-friendly Crowne Plaza in Springfield, IL. Three days, four nights, so much to do, so little time you may want to come early and stay late.

Use this link for booking hotel reservations online:

<https://www.ihg.com/crowneplaza/hotels/us/en/springfield/spicc/hoteldetail>

Alternately, you can call **800-227- 6963** for reservations. You will need to reference the Crowne Plaza Springfield IL, your arrival and departure date, and that you are part of a group: ***Corvair Society of America (Code C9S)***.

The last day to make reservations (4/18/2021). Any unreserved room in the block will auto-matically release on this date. Late reservations will not receive the group rate and I cannot guarantee availability after this date has passed.

This is an excellent opportunity for you and your car if you're prepping for a National Con-cours or a means to help maintain your current seniors status status— or just to see how your Corvair stacks up in a CORSA judged event.

The Corvair Museum will be open and ready for your visit:

WHEN: May 19, 2021 7AM through May 23, 2021
