- Computer Systems Support (CSS)
- Documentation and Training (DT)
- Maintenance and Repair (MR)

Founded in 2001, A3 Technology, Inc. (A3T) is a 100% woman-owned 8(a) socially and economically disadvantaged (SEDB) small business. A3T provides systems engineering, business and financial management, and information technology support services to the federal government and is ideally positioned to support Federal Civilian agencies and the Department of Defense with our broad set of technical and professional services. We have been and continue to be a trusted partner of the Federal Aviation Administration (FAA) for the last 10 years at FAA Headquarters, William J. Hughes Technical Center (WJHTC) and the Mike Monroney Aeronautical Center's Enterprise Services Center. We are proud to have been awarded ATCA's 2008 Small & Disadvantaged Business of the Year award and our CEO, Karen Vargas, was recognized by the US Small Business Administration with their 2009 Minority Small Business Person of the Year award.
