Published June 1, 2017

Dear Dodge County Fair Exhibitors and Visitors:

Dodge County Fair is the Biggest County Get Together to promote education and entertainment for the young and old. I don't think there's anything more American than the old county fair. The Fair just goes back to the very heart of everything and what makes us great. It's a wonderful tradition. The 2017 Dodge County Fair will be opening Wednesday, July 19, 2017.

We have received an *Ag Department Grant* this year which will update lighting in the dairy barn and expand the animal wash area.

The Fair Board has scheduled exciting Grandstand Shows, activities and entertainment. Watch the newspapers for additional features.

Plan your 2017 summer vacation by staying close to home and completely enjoying the "Three Cheers for 160 Years" at the Dodge County Fair. Don't miss out on seeing the competition, educational and commercial exhibits, great fair food, midway rides, and much more.

The Fair Board extends a Hearty Welcome to the 160th Dodge County Free Fair, July 19-23, 2017, the Biggest Get Together in Dodge County.

EXHIBITION OF LIVESTOCK, POULTRY IN MINNESOTA, SUMMARY OF STATE RULE

The Dodge County Fair management has adopted health requirements required or suggested by the state rule.

Livestock or poultry known by the exhibitor to have an infectious, communicable disease, or to have been exposed to an infectious, communicable disease, or to be from a quarantined herd or flock may not be entered in an exhibition. **Warts and ringworm are considered communicable diseases.** Therefore, livestock affected by these diseases cannot be exhibited. A statement from a veterinarian that an animal is being treated for these diseases is not acceptable.

All livestock will be inspected by the Official Veterinarian on the opening day of the exhibition and daily during the exhibition. The Official Veterinarian will order the immediate removal to a quarantine facility or removal from the exhibition premises of any livestock with symptoms or infectious or communicable diseases. Animals placed in a quarantine facility must remain there until removed from the exhibition premises. They may not enter a show ring. This includes livestock with warts or ringworm.

All testing must be conducted prior to the exhibition, and a record of the test results on a test chart or Intrastate Certificate of Veterinary Inspection must accompany the tested animals. Livestock and poultry entered in a petting exhibit are not exempt from the exhibition rules if the animals are from more than one farm or there are other animals at the exhibit.

POULTRY

SWINE

All swine (including barrows) must have a negative pseudorabies test **within 30 days prior to the opening date** of the exhibition or originate directly from a Qualified Negative or Qualified Negative Gene-Altered Vaccinated herd.

HORSES

EIA (Coggins) testing is required for horses to be exhibited at the 2017 Dodge County Fair.

Exhibitors who remove their exhibits earlier than designated time of release will relinquish all premiums including ribbon auction premium, and trips won on that exhibit. The policy does not include those animals that are sent home by the Official Fair Veterinarian due to illness or safety issues.

2. Caring for Livestock

It is the responsibility of the exhibitor to care for their animal the entire length of the county fair. Caring for their animals includes maintaining clean water and feed, adequate and clean bedding and participation in club/chapter herdsmanship.
