Tell Us About Your Accomplishments & Successes !

Do you have an accomplishment or a milestone to share with us? We are very proud of our membership and their respective success stories that occur throughout the year. We are aware of some but certainly not all. We have local grocers travelling to Japan as nominees for international awards, a local wedding venue receiving the nod as runner up to Best Alternative Venue in BC, local cafes celebrating milestones and receiving international awards and our local brew pub and wineries receiving recognition for their excellent products.

In preparation for the Annual General Meeting in February, we are preparing a Recognition Board for all of the great work being done by our members. Don't be shy! We'd love to hear from you on your personal & professional successes. Please email Karen prior to January 15th, 2017.
