Dear Jennifer,

We are please to inform that you that a donation was made in honor of *MYCATKILLE* by *Laina*

The donation included the following message:

**Thank you for the amazing work that you do & the light that Kyle brings into the lives of so many. Without you, so many of us wouldn't know that there are options for families and their pets. I'm grateful to learn of a place that I can support others who have been through traumas. Our pets are often our most precious salvations in terrible times, and I can't imagine getting through even what I went through without my cats. Thanks for being a voice and for sweet Kyle's daily reminders of goodness in the world.**

The donation helps Urban Resource Institute provide quality, compassionate and innovative client-centered services to victims of domestic violence and their pets and other vulnerable populations so that they may lead the safest and fullest lives possible.

URI's **People and Animals Living Safely** (URIPALS), a program that lets families fleeing domestic violence bring their beloved pets with them and co-shelter in place thanks you - for all you do and for spreading the word.

I hope you have a great holiday season.

All the best,
