

Icom IC-910H, VHF/UHF multimode transceiver, 100-watt VHF, 65 watt UHF, excellent condition, hand microphone, manual & DC power cord, original box, \$495

Icom UX-910 1200 MHz Band Unit for IC-910 VHF/UHF Transceiver, NEW, \$390

Icom PS-15 Power Supply, 13.8 VDC, 20 Amp, excellent condition; \$75

Icom PS-35 13.8 VDC, 20-amp internal power supply for Icom IC - 271,471, 740, 745, 751, 970 series transceivers. \$65

Herarld Crystal Microphone, Model M105, 2 – pin connector microphone plug; \$40

Astatic D-104 desk microphone, ¼ inch microphone plug, good condition, \$55

Kenwood SMC-25 HT speaker mic \$5

Kenwood, MC-48 speaker microphone with touch tone pad, 8-pin, good condition \$10

Yaesu YM-48 Microphone with touch tone pad, 8-pin, good condition \$10

Kenwood speaker microphone, no nomenclature, J-45 plug, good condition, \$10

Standard SR-CMP-08 microphone, 4-pin connector, \$5

Icom Handheld Microphone, white color, 3-pin connector plug, \$5

Heathkit HD-15 Phone Patch with manual \$10

Heathkit HD-1515 phone patch, good condition: \$8

Kenwood PC-1A Phone Patch Controller, with cables; matches TS-820/830 series transceivers; \$15

16 element 430-450 MHz Collinear Cushcraft antenna. Mounts on a 5-foot TV style mast. New balun can be made from old balun that is provided. Good mechanical condition. \$25

Used KLM 144-148-14 element 2-meter yagi on 17-foot boom with KLM low loss sleeve balun. \$55

KLM Power Divider for stacking for both above 2-meter yagi's new, \$65

Portable Motorola 2 Meter Emergency/Special Event Repeater, 15 watts output, 147.765 Input, 147.165 Output. 13.8 DC @ 6 Amps required, Anderson Power Poles Installed, CES ID-8 Installed, separate antennas required for transmit and receive. Manual Included. Pick-up in Colorado Springs or may meet nearby, \$145

Electrovoice 636 Dynamic Microphone, Microphone connector included, no microphone cable or desk stand included. Excellent condition, Engineering data sheet included, \$55

Icom VHF FM Marine Transceiver IC-M55, 28 watts output, All marine channels, no mobile mount, microphone, manual. Anderson power poles on short power cord. Works great, includes WX band receiver. \$15

Struthers Electronics Corp. RF Directional wattmeter Model 1219-D-001-G, Works fine, comes with the 144-470 MHz slug rated for 1-5-10 & 50 watts. \$60

Palomar Engineers Frequency Modulator for the Gonset Communicator Series of AM Transceivers. \$8

New Larsen Electronics Magnetic Mobile mount with coax, model MM-LM, 5/16" x 24 thread. \$8

New Larsen Electronics Roof Mount 3/4" hole mount, 5/16" x 24 thread, W/12' coax \$8

New Larsen Electronics Trunk Lid Mount, NMO antenna mount, w/12' of coax and connector, \$10

Collins MP-1 Mobile DC power supply for KWM-2/2A transceivers, Used, \$45

2 -Collins CC-2 Samsonite Transceiver Carrying Case, \$45 each, both for \$75

Telrex Boom-Mike headset made for Collins KWM-2/2A and other radios. Vintage 1960's, original box with instructions, Excellent cond. \$66

Realistic Cardioid Condenser Microphone, Slim, 7 inches long, 6-foot cord w/1/4" microphone plug, \$5

Alinco speaker microphone, EMS-1Z, w/belt clip NEW, \$10

Advanced Research, IC Active Filter-QF-1 Good Condition, \$38

Simpson Model 260 VOM, Fair physical condition, not sure if it works. Leads included, \$18

Icom Rechargeable battery pack, BC-20 Charger, Battery N-900C (10 ea.) for Icom IC-215, 202, 402, 502 series portable radios. NEW Never Used; \$10 each

Broadband Hammesh 2.4 GHz Linksys WRT54G V2, V3, V4 routers, can be linked to each other to form a high-speed internet connection between any number of these routers. These come with a wallwart power supply. Can reprogram your callsign into router. I have over 30 of these units. \$3 each.

External 2.4 GHz flat panel high gain antennas in various sizes are also available. Call or email for pictures and more information.

New, sealed in metal can, Eimac 4x150A/7034 amplifier tube, \$15

Amperex 4-125/6155 made in Holland, VHF Power Tetrode, look new, 2 for \$40 or \$22 each

RCA 4X500A Beam Power Beam Power Tetrode, 4 - each Used, \$35 each, all 4 tubes for \$105, OBO

3 - each 813 Beam Power Tubes, 2 - with sockets, Filaments test good. \$30 each or \$77 for All/OBO.

4CX250B New \$25; Used \$15 & 4CX250R, New \$45 ; 4X150D Used \$10; sockets for tubes with chimneys \$20, sockets only \$10; Discounts given for multiple tube orders. Shipping available for all tube orders

Hickok Model 533 Tube Tester, Good Condition, \$180

Lots of vacuum tubes. Tell me what you need. List available to view

Tigertronics Signal Link-USB-6PM Sound Card - Radio Interface with SLCABRJ1 RJ-11 microphone connector for Yaesu. \$78

Aviation Headset, OTTO Connect VA-10943 Headband Headset. With helicopter to general aviation adapter. Rarely used, excellent condition. \$155

Pictures available for all the above listed Radio equipment and accessories.
