DESCRIPTION: This Darton Valiant SL is a nice comfortable bow to shoot. Bow has no delamination; no cracks; limbs are straight. Overlays and tips are in great condition. Two (2) filled screw holes and a couple of small scrapes on the back of the bow (see last pic on p. 4). The only other flaw is a filled gouge towards the bottom of the riser on the shelf side (see pic on last page). No other chips, dings or cracks. No stress lines or crazing. A few minor scratches and nicks here and there. Decal is in very good shape. Overall, this is a really nice bow in excellent condition for its age.
