

Henry Oberley

Scholarship: \$2,000 Annual Anchor Scholarship sponsored by BAE SYSTEMS

College: Colorado School of Mines

Major: Mechanical Engineering

Academic and Extracurricular Highlights:

- **4.21** High School GPA
- Team Captain - High School and Club Swim Teams
- Swim America Coach: 4 - 12 year olds

Quotes:

“He is an enthusiastic learner. He is eager to share ideas and work with others, whether that is to solve a math problem or to contribute to club activities. He is kind and sincerely interested in helping others. He has a quick wit and good sense of humor.” **Mary Harrison** - Teacher

“This scholarship will help me at Colorado School of Mines, a division II school in Golden, Colorado. I will be majoring in mechanical engineering, and I will be a varsity swimmer. I am very appreciative of the financial support that you have provided. Without scholarship such as these, I would not be able to attend this school.” **Henry**
