**Texas Community College
Speech and Theatre Association
Play Festival**

The Texas Community College Speech and Theatre Association has been actively enriching the lives of Texas Community College students since 1922.

The annual Play Festival celebrates the art of theatre in an atmosphere of friendliness and respect. It provides an opportunity for two-year colleges to share their work in a festival setting, receiving awards and important feedback from educated theatre critics.

Productions are presented to the Play Festival assembly and receive verbal responses from two respected theatre educators.

Students are eligible for awards in all areas including: acting, directing, stage management, technical design, dramaturgy, special effects, & poster/program design. Special awards include the Bill Morton Challenge Award, and the Greg Schneider Award for Technical Excellence.
