

August 2022 Member of the Month

Congratulations to Lake City Bank of Pierceton for being chosen as Pierceton's August Business of the Month!

Our branch consists of three main ladies we've all come to know! Kelli Cook is the Assistant Vice President Retail Banking Officer. In Kelli's spare time she enjoys time with her family and volunteers as the secretary for TriKappa of Marshall County. Kelli also helps out each year during Pierceton Days during the Car Show registration! Up next is Danielle Gambill, a Senior Retail Banker. When she's not working, Danielle enjoys family time, and working on crafting and DIY projects! Lastly, we have Alexis Music a Retail Banker. Alexis enjoys taking camping trips with her boyfriend, primarily at their favorite spot in Wisconsin, and spending time with her dog, Remi!

This year, August 6th, is actually the 150th Anniversary of Lake City Bank! Being selected as the Business of the Month for August lined up perfectly! Lake City Bank offers a variety of banking services to their customers including: checking and savings accounts, credit cards, personal loans, mortgage loans, commercial and business banking loans, investments/brokerages, and wealth management. If you're looking to start an account or need a loan, stop in and they will help you get started!

Not only is Lake City Bank of Pierceton is a great source for all of you personal or business banking needs, but they are also great participants in various town activities. Lake City Bank is a member of the Pierceton Chamber of Commerce. They sponsor town events like the Heirloom Tomato Festival coming up on August 27th, and Pierceton Days in July! You may have noticed them in the Pierceton Days Parade if you were here! They also teach Junior Achievement at Pierceton Elementary School and participate in the Greater Marshall County Children's Resale Event. Also, Lake City Bank hosts a Customer Appreciation Day annually in the fall! We are so glad to have such an active business in our community!

If you're planning on stopping in, the hours of operation are Monday – Saturday excluding Holidays.

Mon, Tues, Thurs 8:30am – 4:00pm

Wed, Saturday 8:30am – 12:00pm
