If the investigation results in a finding of wrongdoing the Head Administrator or designee(s) shall report the identity of the licensed school employee and attendant circumstances of the ethical misconduct on a standardized form to the Public Education Department and to the licensed school employee within thirty (30) days following the separation from employment. Copies of that form shall not be maintained in the School's records. No agreement between a departing licensed school employee and the School shall diminish or eliminate the responsibility of investigating and reporting the alleged ethical misconduct, and any such agreement to the contrary is void.

Criminal History Record Information (CHRI):

All record storage of CHRI shall be printed directly from the CHRI website by a Human Resources Representative who has first completed the CHRI training. The background check reports shall be kept in a secure private electronic folder. Only the Human Resource Representative and the Executive Director can have access and view these reports.

If intentional misuse of the CHRI by an employee is discovered by the School the School shall take personnel action against the employee misusing CHRI. The misuse of CHRI may result in loss of access to CHRI, loss of employment, and criminal prosecution. Misuse will be reported to the proper authorities.
