BGANC NOVEMBER PRODUCTION GOAT SALE

The BGANC wants to offer high quality breeding stock from reputable breeders at this sale. To instill confidence in the buyers and to earn the best prices for our consigners, we ask that all goats to be sold meet these guidelines.

- All goats must have either a legible tattoo or a scrapie tag
- The ABGA Breed Standards will be used as the standard for the goats in this sale. Anything that deviates from the breed standard will be announced as such and should be listed in the description of the animal for the catalog. Faults/Deviations from the breed standards will also be announced at the auction block.
- All goats should be functionally sound in their feet, and "well-formed mouth with well-opposed jaws" all does have a functional udder.
- All goats should be in a body condition that is appropriate for their stage of production.
- Kids sold without their dams should be weaned for a minimum of 15 days and be vaccinated with a clostridia vaccine prior to the sale.
- All goats brought to the sale must be clean, recently dewormed, and their feet must be trimmed.
- All consignments will be checked for contagious diseases and overall health by a veterinarian or a BGANC designated person prior to unloading.
- The BGANC Sales Committee reserves the right to pull animals from the sale that do not conform to our quality standards.

I understand the sale requirements and have consigned goats that conform to the stated standards.
