DESCRIPTION: This is an excellent Damon Howatt Coronado. No delamination; no cracks; limbs are straight. Overlay tips are in good condition. However tow of the back tips had gouges and were filled (see pic p. 6). Two small professionally filled sight holes on the face (see pic), and 3 barely detectable filled holes on the side of riser (see pic). No stress lines or crazing. Still, this is a really nice bow in excellent condition for its age.
