

The MPS Music Association is YOU!

It takes a lot of people to keep the Association vibrant.

The best part of the Association is the great people who keep the wheels turning. We laugh a lot & everyone has fun!

How does that happen?

MPS MUSIC ASSOCIATION VOLUNTEER INFORMATION

www.mpsmusic.org

Volunteers help keep the Marlborough Public Schools (MPS) Music Association strong. The MPS Music Association requests all adult members participate in at least one 2-hour volunteer duty per quarter. We know many of you participate and assist numerous times during the year. We thank you and appreciate your valuable time and enjoy your camaraderie.

There are so many needs our organization has that we are sure there is something that you will enjoy doing. These services are open to all adult members of the MPS Music Association. Who are the members of the Association? All parents/guardians of music students in the Marlborough Public Schools, alumni students and their parents, and community members. If you feel uncomfortable volunteering by yourself, bring a friend.

Sometimes adults don't get involved because their student doesn't want the adults to "be around them". Many of our Fund Raisers for our General Fund are located away from the school and students are not involved.
