

DAYTON DARTING SEASON UNDERWAY

The 8 divisions, composed of 8 teams each, will be a little more aware of the competition to be encountered this season. The newly created Gem Division has found a few new faces and a few realigned teams. The Heavy Heavers headed by Ron Cloutier and Dick Stein have added Sam Few and Ken Smith.

McGuffy's Tuffys, a reconstructed Youthanasians, have Steve Smith as captain and new additions, Ed Conduff and Rich Mays. The Dartboard Shoppee Lancers, led by Jack Rutan and Cal Peters, have Tim Brown, Jerry Rutan, Billy and Bill Sr. Nicoll, shooting. The Shroyer Ins and Outs, captained by Ray Yocum, have brought up John McKinney, Sam Anderson, Brad Williams and Gary Yocum to shoot for the first team as a team.

4 Guys and a Girl find Mark Link, Julie Sullivan and Tim Kitchen being joined by captains John Eckley and John Rife. Tonsters Local 501, led by Cliff Morris and Rich Stoner, have added Chuck Schleeter to their squad.

The Shroyer Inn Shooters, commanded by Jim Francis and Dave Kinzeler, have added Tom Boots, Tom Ryan and Carl Stravinski. The Untouchables have added Frank Detman. Dave Servis and Bob Burn are captains.

GOLD DIVISION: Cheryl Gearhardt and Jerry Coomer will captain the newly organized Cubbyhole Crunchers. Another new team at the Cubbyhole is the Rascals led by Mary Nairn and Jan Storm. Bob Jackson and Bob Hurt will direct the actions of the newly formed Lions Den Top Cats.

YELLOW DIVISION: New additions include Joes Bullseyes, captained by Rusty Meyers and Greg Hill; the Vanishing Points, headed by Jeff Breidenbach and Dave Glossinger; and an all-girl team, the High Five, chaperoned by Gayle Ingram and Debbie Hapner.

DAYTON DART CHAMPS CROWNED

Julie Sullivan and Steve Smith weathered the long summer round robin tournament to determine the Dart Champs of Dayton. Julie outlasted Linda Busch after shooting to a tie position going into the last match. The final tie-breaking match was won by Julie giving her the crown. The Ladies results were:

Julie Sullivan..12 Sandy Cobb.....7
Linda Busch.....11 Dianne Whiteaker.4
Cheryl Gearhardt.9 Ellie Nicoll.....3

The Mens Singles championships were held August 7 at the Shroyer. After winning only two cricket matches, Steve Smith made a near impossible comeback by taking five 301 matches and five 501 matches in the Round Robin playoffs. Mens Singles results were:

Steve Smith...12 John Rife..... 9
Tim Brown.....10 Dave Servis... 7
Ron Cloutier.. 9 Carl Kreuzer.. 7
Billy Nicoll.. 9

Dave Servis fired four T80s; Ron Cloutier, three; and Billy Nicoll, one. Is there a lesson to be learned on firing T80s and winning? Any comments, "Special K?"

The Doubles Championships was scheduled for September 11 and was partially completed due to a conflict with the ADO World Masters Regional playoffs. Ron Cloutier and Steve Smith, Dayton representatives, will complete the championship matches and the Double Champs will be determined by September 30.

The first meeting of the new Board of Directors was held July 27 at 7:30 PM. Present were President Mark Link; V.P. Denny Gearhardt; Secy-Treas Cheryl Gearhardt; Trustees John Eckley, Dave Servis and Cliff Morris, and Carl Stravinski.

Cheryl Gearhardt read the Minutes of the last meeting which were approved as read.

Also reported was a request from ex-president Max Shook to resign from the Board of Directors. There was no acceptance of the request but Link was to check the by-laws on resignation and replacement procedures.

New Business - Link reported the new Gem Division is shaping up. Six teams have entered and there have been commitments for the other two slots. Application deadline for the other divisions was August 15. Eight team divisions are proposed in order to have all finish at the same time. Cliff Morris will prepare a news release for the Dayton papers announcing the closing date for team applications for the 1982-1983 season. Link was to contact and make arrangements with the Dayton News for publishing weekly team standings.

1983 Dayton Dart Open - There was no further determination of the feasibility of the proposed 1983 DDO. Bill Nicoll is monitoring this program.

Rules Committee - Denny Gearhardt was appointed chairman of the Rules Committee. Denny reviewed the rules and the following were discussed for changes: 1) reporting scores; 2) teams playing eight players; 3) substitute rule; 4) forfeiture of points for not reporting scores. The Rules Committee will make the changes as discussed and prepare for distribution at the captains meeting.

Awards - Trophies and awards, with budget costs, will be made similar to the 1982 season.

Team Registration - Link will personally follow up on team registration by contacting team captains by phone.

City Challenge - Julie Sullivan volunteered to chair this committee.

There being no further business, the meeting was adjourned at 10:00 PM.

Vying for division honors for the 1982-1983 darting season will be 64 teams. This surpasses last season's 53 teams. Fourteen teams are new and eight are realigned teams composed of shooters from various defunct teams. Some teams are completely new, while others have been beefed up, especially in the Gem Division. Mark Link states membership to date is 350.

The gaunt, lanky, mustachioed figure carried his darts soaking in his scotch and water as he approached the darting area. A cigar was held in a steady position in the front of his mouth. He set the glass on the table, approached the hockey and methodically stroked his first dart into the trip 20. The low-keyed, unassuming darter is our own affable Dave Servis.

The yen for competition in individual sports has long been with Dave. His high school, collegiate (Occidental College 1957-1962) and international track and field competition enabled Dave to be rated among the top 20 in the world.

While serving with the Armed Services in Europe, Dave was involved in a bad auto accident which curtailed his active sports life. The competitive spirit was still there... When Dave arrived in Dayton, he just happened to become friendly with Bob and Sandy Brickley and Bob and Pat Rogge, who are claimed to be Dayton's original dart enthusiasts. It just happened Dave was exposed to darts on the Isle of Crete while on an isolated assignment. The business end of the dart was no stranger to Dave. The association with the Brickleys and the Rogges kindled the spirit and Dave, with his wife Jean, was hooked.

In his early years in Dayton, Dave was influenced greatly by Sam Bowers. Sam impressed Dave with the importance of knowing your "numbers." Dave is still indebted to Sam. It did not take Dave long to "know his numbers" and dominate the local scene. In 1974 the Biddy Mulligan Classic in Chicago proved to be easy 'pickins'. Dave took the Singles. With Billy Nicoll Jr in the 1976 Regional Unicorn Tournament, Dave was the other half of the Doubles

PERFECTO!!!

Cal Peters has the unique distinction of shooting the perfect 6 dart 301 game. A report from Julie Sullivan bears the fact that Cal achieved some kind of darting immortality by the feat. Here is how Cal did it:

X Bull
Trip 20
Trip 20
Trip 17
X Bull
X 15

This kind of shooting must be eligible for some kind of award. How about our Awards Committee looking into recognizing this feat.

Then to boot, the quiet unassuming Julie says, "Carl, I also shot a good 301 game, a 7-dart 301 game." Holey Moley, can you beat that. Two unbelievable games practically the same day.

Julie shot hers the easy way---, "is there an easy way, Julie?"

3 darts - T05 In shot
3 darts - T180
1 dart - X8

Congratulations, Cal and Julie, on a perfect and near perfect effort.

RON AND DENNY RECEIVE AWARDS

Acting as a one-man awards committee, Bill Nicoll Sr, Mr. Dart Shoppee, had pleasantly arranged and surprised Ron Cloutier and Denny Gearhardt for recent outstanding performances at the hockey.

Both Ron and Denny fired T70 outshots which any good dart shooter knows can only be made one way--trip 20, trip 20, X bull. Ron fired his in the recent Dayton Championship tournament and Denny in league play.

For these outshots, Nick had petitioned ALBATROSS FLIGHTS of England for recognition of these performances. ALBATROSS made the following awards:

1. Certificate of Award
2. 170 patch
3. 170 tie
4. Wallet with name engraved
5. Special 170 flights

When you see either of these guys sporting any of these items, "Now you will know the other half of the story."

COLUMBUS BI-MONTHLY HAPPENINGS

I understand Cal Peters became a member of the Howard Johnsons Nudist Colony. Is it just a rumor Cal is proposing throwing darts in the "altogether?"

Linda Busch really showed her form in placing in the Top 4 of the Ladies Singles against some tough competition. Congratulations, Linder.

Top winner at the Spectacular was Julie Sullivan. Julie finished first in the 501 Womens Doubles and Womens Cricket Doubles with Judy Campbell as her partner. Then Julie came back to take second place in the Cricket Womens Singles where Jan Storm and Linda Busch placed in the Top 4. It must have been a letdown when Julie finished in the Top 16 in the Mixed Triples. She shot with Dan Pucillo and brother Billy.

Marilyn Trussler and Tina Horton, from Cincinnati, pulled the upset of the weekend by beating Dave Robinson and Dan Pucillo in the Open Cricket Doubles. Nice work, gals.

In the Mens Singles, Frank Varley had to go to the third leg to take Jerry Pavelich. This is the way the match went:

"WE CATER TO DARTERS"

The third group of Lucky 16 competitors to win a trip to a national tournament experienced a first in Las Vegas at the NAO August 20, 21 and 22.

Top point winners eligible for the trip awards were:

| | |
|------------------|-------------------|
| Cheryl Gearhardt | Ron Cloutier |
| Gayle Ingram | Denny Gearhardt |
| Jan Storm | Denny Littlefield |
| | Bill Nicoll Sr. |

Each Monday night men and women compete at the Shroyer and McGuffey's respectively for top positions in the Lucky 16. Periodically, high point shooters are recipients of dart trip prizes encompassing air fare, hotel and singles registration at a national darting tournament. To date Dayton darters had been represented at the U.S. Open in Washington, D.C. and the K.C. Open at Kansas City, and now Las Vegas.

The next time you see any one of our Lucky 16 winners ask them if they want to go back again next year. Also making the trip were Carl Kreuzer, Linda Busch, Mrs. Littlefield, and the darting Macy family from New Carlisle.

The competition was sharp but our guys were able to come out with the best. Ron Cloutier and Denny Littlefield opposed John Lowe and Jockey Wilson, two of the top rated darters in the world. The first two legs were split and in the final leg Ron and Denny are sitting on 153 and Lowe and Wilson at 128. Jockey steps to the hockey and takes it out, trip 20, trip 20, X4. Well, that is what you bump into at the North American Open.

Ron Cloutier finished in the Top 32 in the Singles while Kreuzer finished in the Top 64 in the Doubles.

In the ADO vs British Dart Association match, the British edged the ADO team. Billy Nicoll Jr. playing with the ADO team in Singles, played well but was felled when his opponent shot three T40s.

Although the prizes were few at the Open, the dart booths at the Circus took a beating; everyone left loaded with stuffed animals!!! If you can't take it out on the dart board, take it out on the balloons; they do make a fairly easy bull shot.

One final note. One question to ask of Bill Nicoll Sr, "Wha haupened at the crap table?"

champs. This qualified them for the National Tournament where they placed 3rd.

Throughout the years Dave participated in national tournaments placing in the Top 16, but always losing that top spot, the grand champion, first place. In May 1982 Dave placed in the Top 8 in the Dallas Open Classics. Again, it was that ever evasive double which gave him trouble.

Dave was challenging the best. On one occasion in 1979 in Chicago, after whipping Frank Ennis who shot a bushel of T40s and T20s, Dave faced Nicky Virachkul. Dave said, "I averaged over 100 points a throw and lost. Nicky threw 110." Dave placed in the Top 16.

In Columbus in 1981, Dave took on Dan Pucillo in the Cricket Singles. The match went three legs; at least two trips per throw was the prime requisite to win. The score in each leg was over 500 points. The final honors went to Dave.

Dave is of the opinion 15 to 20 darters in Dayton have the capability to compete nationally. If there is any weakness, it is in the regularity and promptness of making the "damned" double outshot. There is no doubt our darters can score and with the assurance of making the final double, Dave thinks Dayton has a national champion.

Practice is one of the secrets in developing rhythm, stroke and confidence to hit the numbers. Dave's early schedule was to get in at least one to two hours a day. The busy job schedule now makes it difficult to spare the time. Dave reiterated, "This is one of my problems now, I am not hitting the doubles; I believe I could shoot much better if I were able to practice a little more often." Dave's practice mainly comes in the form of the many L.O.T.Ds and local tournaments.

Dave's advice to Dayton darters--- develop your stroke and concentrate. The automatic placing of darts in the 20 bed is ideal. Sooner or later one, two, or three of them will fall into the trip bed. Secondly, when opposing a supposedly better rated player, do not become discouraged; just shoot your best game and with a little luck you can win.

The local carrier pigeon, after conversing with a flock of Dayton storks, brought in this message. It seems a flock of storks has been flying around the Cobbs and Viers residences lately and just the other day the long beaked birds dropped off packages, a little boy package to the Viers and a little girl package to the Cobbs. Last reports were all is fine with the new additions and mom and pop.

WOLSHON AND BAKER WINNERS

The Worlds Masters Regional Finals were held at the Dart Shoppee Saturday, September 11, with darters from Detroit, Pittsburgh, Lexington, Indianapolis, Cincinnati, Columbus and Dayton.

Mark Wolshon, Detroit, and Jerry Baker, Pittsburgh, survived the day-long affair. These shooters will represent Region IV in Cincinnati October 23 at the Eastern Finals. The two winners at the Eastern Finals will qualify for the Worlds Masters to be held in England November 1982.

A maximum effort was made by Ron and Steve, but it was one of those days---it just wasn't there.
