There will be a Board meeting starting at 6:30 p.m. – All members are welcome to sit in.

June 19: Annual Picnic

SAVE the Date: third Monday in June, instead of a meeting. Start time: arrive 5:30; eat at 6. Location: [Brighton Town Park, Clark Lodge](#); 777 Westfall Rd. Barnes and Noble Show

The B&N show is now open during store hours. You received the advertising postcards via Google groups. Remember to send them to friends and family. The **Artist Reception is Sunday June 4: 2:00-4:00**. B&N changed its food policy so there will just be coffee and limited cookies, unfortunately but we're there to celebrate the art and the artists, not the food. The show ends June 24. Pick up your artwork between 9:30 and 11:00. The volunteers would appreciate members picking up their portfolios earlier in the morning rather than later.

There will be a special wall in the show honoring Dan Neuberger which will include biographical information and some of Dan's images not shown in the Image City show.

May 2017 Category High Scores

The highest scoring images of each category have been asked to submit their winning images to the newsletter editor via the Meet Up site for inclusion on this page. *In the event there is a tie for highest scoring image or if higher scoring images have not been uploaded to the Meet Up competition folder, the newsletter editor will select an image from the uploaded images.* Judge: Mike Dziak

Scoring Experiment for June Competition

In June we're going to use the NFRCC scoring method which is also used by others clubs in the region and at national and international events. In the future this scoring model may be used twice a year to help us align with other competitions and to prepare those members who wish to compete at NFRCC and elsewhere.

Scoring format:

- + A print or image is given an individual numerical score by each of three judges based on each photo's total level of proficiency. The scores of the three judges are added to give the final image score. This rating is based on the judges' photographic training and experience in elements that constitute excellence in the art of photography.
- + Judging is done on a curve, using a scale of 2 (low) to 5 (high) points, providing a lowest possible score of 6 and highest possible score of 15.
- + After the first round of judging in a category, the top scoring images (roughly 20%) are selected. These images are judged again on an "in"/"out" basis using a score of 1 for "out" and a score of 5 for "in" to further narrow the field to the three best images in the division.
- + If the remaining field is still composed of more than three images, the judges will arrive at a consensus to determine 1st, 2nd and 3rd places. No ties are permitted for these awards. The remainder of the images in this group judged "in" will receive an award of Honorable Mention.
- + After the images are scored a brief critique of those images receiving 1st, 2nd or 3rd place and "Honorable Mention" is helpful to learn what judges felt was done well, and also how the image might be improved. The score given should reflect the sum of these aspects.

Digital Competition Deadline and Submission Info

The deadline for submission of images for the digital competition is midnight on the Monday preceding the competition day (April 24th this month). Following the submission rule, send no more than 2 images in this category to: CameraRochesterDCS@gmail.com. The images should be in jpeg format and resized to 1920 in the longest dimension. Please name image files with your name and the title (Your Name – Title of Image.jpg). Note the single space on either side of the dash. Any extraneous information will become part of the title or author. Please also put the month in the subject of the email (Images for (Month)).

Camera Rochester Meetup

Please upload your images as soon as possible. If you need to check a date, upcoming meetings and events are listed on the calendar. In addition, we're asking anyone who enters an image (Not just the higher scoring images) in any of the monthly competitions to post the image in the month's folder so that everyone can enjoy all of the images entered every month. The winning images from the previous page are easier to see on the site. High scoring images will be copied from the Meet Up files for printing in the previous page.
