To Whom It May Concern:

It is my pleasure to write this Letter of Recommendation on behalf of Integritas Systems, LLC. Integritas was the Contractor for the construction of my new storage building in West Chicago, IL. Andy, Bob, and their entire team were extremely professional and competent throughout the process and I'm extremely pleased with the final result.

In particular, I'm very satisfied with the quality, project coordination, communication, and responsiveness I was given. They provided additional value in assisting me through the initial permitting process as well which helped us expedite construction while saving me time and money. The building is of good construction and design, and meets all my storage needs.

I would strongly recommend Integritas' services and we will look to utilize them again for any future needs. If you would like to discuss my experience with Integritas in further detail, please feel free to contact me at (630) 293-6700.
