

**CLASS OF  
2016**

**TRADITION DOES NOT GRADUATE**

*To the Senior class of the 2015-16 boys basketball season:  
As we continue to work hard in our last month together, we will experience many of the 'lasts.' Our last team meal, our last film session, our last practice, our last pre-game speech, our last dance party after a win, our last talk about our day. Senior night is very special and emotional because it represents the end being near. I will always remember the memories we have had for so many years on the basketball court together. From youth basketball teams to high school teams, it has been a great honor being your coach. When our season comes to a close, I won't be saying 'goodbye', but rather, 'see you later'. I hope you remain close to the program, come back and play as alumni over the holidays, and stop in my room anytime you want to say hi. You are a part of a tight fraternity of former players whom I will always support if you need me. ~ Coach Rank*

**Coach Rank Comments:** "Similar to the grind of his Junior year, he paid his dues and it paid off for him. One of the most exciting players I've had. Loves to compete and loves basketball. My favorite memory is when Tysen took over the leadership role at UW Stevens Point Camp. He made everybody loosen up when we started rapping together in the dorms."

*I had the opportunity to coach these four Seniors both at the Junior Varsity and Varsity level over the past four years. I will always remember this group as players that enjoyed playing the game of basketball and having a strong desire and will to win. This group of Seniors love to compete. But more so, I will remember them as players that I thoroughly enjoyed coaching. I had fun with these guys and I enjoyed being around them each day. I appreciate the respect and kindness in which they treated me and the good times we had.*

*Thank you Seniors for all the time and effort you have put into this program. Thank you for everything you did for me and South High basketball. I wish you nothing but the best in your future.*
