

Workshop Proposal

Thank you for your interest in leading a program. We appreciate you taking the time to fill out our Proposal Form. We are interested in programs that are of a holistic nature and compliment our mission statement. These programs might be in the field of bodywork, yoga, meditation, spirituality, various forms of healing, and other similar subjects.

If you are interested in offering a workshop, it is best to review our website to view our calendar to get an idea of the kind of topics offered here at Joshua's Place. Potential presenters should have experience in leading a group as well as able to demonstrate their ability to market themselves successfully through a variety of methods (such as websites, mailing lists, and emails) and have followers. Your efforts can make the difference between a successful program and a cancelled program.

If your program is approved, your program will be listed in our seasonal brochure, on our website, supported through our email campaigns, and listed in our local newspaper and community listings.

Please be patient while we process your program proposal. You will receive an e-mail confirming the receipt of your proposal. Once your program is approved you will be contacted to discuss the finer points and dates.

In developing your proposal consider the following:

- ❖ What will the participants learn?
- ❖ Participants will bring home-new skill? Improved health? Better awareness? Deeper understanding?
- ❖ Who is the workshop appropriate for? (Ex .professionals, lay people, beginners, all levels)

Joshua's Place is a not for profit organization and we are here to serve the community. Joshua's Place is searching for pure teachers with pure and loving intentions. Our priority is to find teachers who can align with us and understand that it is in the giving that we receive.
