

De Bear at the Wall

Dad
 Your Great Owner From Vietnam
 Should be here from when he got back.
 You fell for him you did and gave me
 this Teddy Bear. He once gave me
 mine when he was here. He told me
 this Teddy Bear would protect me
 From the Boogie man.
 Dad, I got with my dad and
 boy, I will protect my son from
 his Boogie man. So I wanted
 to bring the Bear here. I don't
 need him any more, maybe he
 will keep your Boogie man away.
 I hope you would be proud of
 me too. Your Little Girl
 Mom said my girl looks like you!
