AFFECTED: Owners SPECIES: NA CLASSIFICATION: Allows care costs for seized animals				

- Revises the law regarding seizure of animals under animal cruelty law by replacing removal with seizure throughout
- Requires person who seizes the animals to notify owner by personal service or certified mail within 24 hours, gives owner right to petition court for return if administrative remedy is not available, and requires person who seizes animal to provide instructions how to do so
- Strays are to be forfeited to person authorized to seize it but now requires trying to contact owner for 72 hours first
- Replaces prohibition on removing farm animals without vet recommendation to include seizure of livestock, poultry or dog actively engaged in livestock herding or guarding
- Adds that if owner petitions for return, a humane society agent, police officer or public official protecting animals may petition for costs of care of the seized animal until determination is made if petition is made 10-30 days after seizure
- Adds that for seized livestock NOT petitioned for return, the entities above may petition for continued possession and costs of care if petition is made 10-30 days after seizure
- Requires copy of petition for care costs be sent to owner within 7 days to mailing address, business address of council of record, or detention facility (if detained)
- Requires hearing scheduled 14-21 days to determine whether seizure was warranted, whether continued possession of petitioner is warranted, responsibility of owner of cost of care, and whether owner can own or possess new animals during criminal proceeding – must notify owner of hearing in 7 days
- Requires petitioner to demonstrate reasonable costs for care, seizure was warranted and continued possession by them is warranted AND gives owner opportunity to object to evidence and request alternative disposition of animal
- Requires decision of hearing in 5 days
- Care costs are limited to \$15/day/animal plus \$50/day/animal for necessary medical care
- If petitioner granted care costs, owner is liable for filing fees and care costs – may petition for adjustment to amount
- If seizure found to be warranted, court may prohibit new animals until conclusion of criminal proceedings
- First payments start in 14 days after determination and then monthly starting 30 days after original payment which is held by clerk of court with petitioner only allowed to withdraw for actual costs – animal forfeited if not paid within 30 days
- Petitioner may 1) provide necessary care including euthanasia if determined necessary by vet to prevent suffering – must notify owner before unless immediate euthanasia required and 2) transfer to another facility if court is notified first
- Care costs terminate if owner surrenders animal, animal is forfeited to petitioner or animal dies – unused funds are returned to owner
- Petitioner immune from civil liability related to care except intentional misconduct or gross negligence resulting in death
- If owner acquitted and pays care, animal must be returned along with care costs paid; if convicted, animal is forfeited
