Music Teachers' Association of CA- Long Beach Branch

Background: the Music Students' Service League (MSSL) was formed so that students of MTAC members may have the opportunity to serve the community through music. MTAC awards students community service credit for their time, efforts and talents. These awards, in turn, help students to fulfill their graduation requirements of their schools and other service organizations. Students share their gift of music with the community by giving recitals in senior citizens' homes and by helping with other musical activities. MSSL is a student-run organization under the guidance of an MTAC teacher.
