

# The Chimes

AUGUST 2019

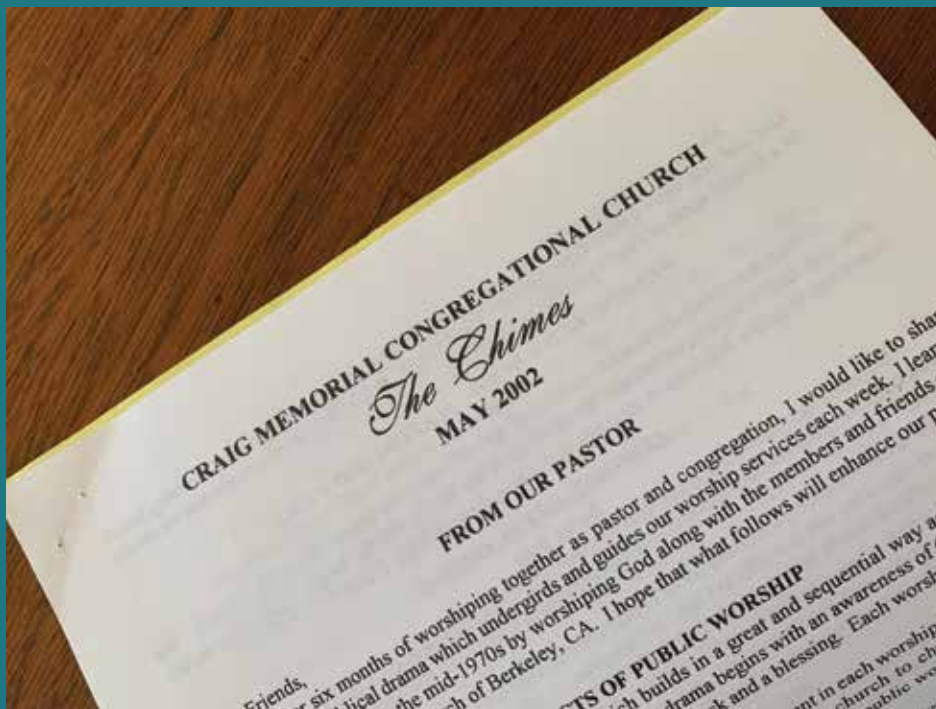

CRAIG MEMORIAL  
CONGREGATIONAL  
CHURCH

Now meeting at Paradise Lutheran Church  
Sundays: 11:30 am

## REMEMBER THIS?

### We're re-creating a bit of our church's past!

The Camp Fire took a lot of things away from us—a cherished building we'd worshipped in for years, many fellow members who were forced to leave the area and, for many of us, our own homes.

What the flames couldn't take, though, are the memories of shared fellowship through the decades.

That's what "The Chimes" is about: informing our congregation and binding us together as our church newsletter has in years' past. Look for it in printed form as well as delivered directly to your email in box!

## What about rebuilding?

Church members, including a building committee under the oversight of John Sanders, are studying options as our ridge community works to recover from the Camp Fire. Stay tuned for a report!

## We're so happy to be back in Paradise!

### We're listening...

Our host church will be installing new seating in September and they hope that will improve the acoustics in the sanctuary that we're "borrowing" for now.

Be assured we want everyone to be able to hear the great messages and Good News on Sunday mornings—your church leadership is continuing to work on it!

## Why do you go to church?

Could you help your church out by taking a very quick—there's only one question!—survey online about why you attend church? Don't worry about having the "right" answer, just share your thoughts about why you show up on Sunday mornings.

Use the link below with SurveyMonkey.com or take a photo of the QR code here using your smartphone to take you to the link automatically.

We'll tally results and share them in the next issue of The Chimes. All responses are anonymous.
