Say I ain't got no money  
Oh and there's no money after taxes  
There's no money left for me

I'm so poor and needy  
Poor and needy, poor and needy  
Won't Uncle Sam please come  
And give a break to me  
Cause I ain't so bad

And I'll recheck, my 1040, and W-2  
But there's nothing left, nothing left  
Bip bozadee bodzee bop le bop

I ain't got no money  
oh and there's no money after taxes  
there's no money left for me

*Hummala bebuhla zeebuhla boobuhla  
hummala bebuhla zeebuhla bop  
(I'm paying taxes right through the nose  
Flushed out of my paycheck with a fireman's hose)*

I ain't got no money, no money,  
no money, after taxes  
there's no money left for me  
I'm so poor and needy  
so needy, so needy, so needy, needy

Won't my Uncle Sam come and rescue me  
Cause I ain't so bad

And I'll recheck, my 1040, and W-2  
But there's nothing left, nothing nothing nothing nothing left  
Uncle, uncle, uncle Sammy

I ain't got no money, nada  
And there's no money, after taxes  
there's no money, after taxes  
Nothing left, nothing left  
There's no money,  
There's no money  
There's no money  
No money  
No money  
There's no money left for me
