Our curriculum consists of: theme based, play based and Learning Everyday Curriculum. Learning Everyday Curriculum is a proven Pre-K and early learning solution that prepares all children, ages 3-5, for academic success in kindergarten and beyond. The curriculum cultivates young learners with a robust, multidisciplinary curriculum and a clear road map for early learning success—including easy-to-implement lesson plans and a range of innovative learning tools. Developed to serve pre-kindergarten, this is a proven, evidence-based early learning solution that supports teachers of all experience levels—addressing key foundational skills in the Common Core State Standards and other state standards for kindergarten. If you have any questions about this, please let me know so we can discuss your questions or concerns.
