

# ERIN NAGLE

Congratulations to Miss Erin Nagle, Revolutions' featured student for the month of November 2017. Erin is joining us for her seventh season in a variety of classes. She is a member of the competition team and performing group. Erin has been working hard this season in all her classes and showing great progress in her technique. She is a great role model and classroom assistant. She comes to class prepared to work hard and learn. Erin enjoys dancing because "when she started when she was 3 she always had a passion for dance. She enjoys expressing her emotions through dance and strives to become a better dancer every day." Great work, Erin!
