

FALL 2017 Soccer South Registration Guide - Page 1

The **FALL 2017 SEASON** starts the weekend of **September 9-10** and runs through the weekend of **October 28-29**. For 9U & older, October 7-8 is a **BYE WEEKEND** (no games, but there is an optional tournament). 5U-8U teams will have no bye weekends, unless an odd number of teams warrants double headers.

*Registration Fee DOES NOT INCLUDE UNIFORMS.

UNIFORMS ARE CHANGING THIS SEASON. SOCCER SOUTH UNIFORMS FROM PREVIOUS SEASONS WILL NO LONGER BE USED.

These new uniforms will be able to be used multiple seasons. The cost will be about \$45-\$65, and will require a separate transaction with the supplier, not Soccer South. See page 2 for more details.

*No Mandatory Fundraiser Fee this season (to ease burden of new uniforms)

*Possible Additional Fees:

- \$2.50 per player Card Convenience Fee (only applies to PAPER registrations using credit or debit cards – no longer applies to online)
- \$10.00 per player 9U & Older Late Fee (only applies to 9U & older players who register after June 21)**
- \$7.00 per check Surcharge for dishonored checks (we will add this to what you owe, if your check bounces)

*Possible Discounts:

- \$ 5.00 per player EARLY BIRD DISCOUNT, REGISTER BY JUNE 5, TO SAVE 5 (applies to all ages who register on or before June 5)
- \$ 5.00 per additional player FAMILY DISCOUNT: Families registering multiple children will pay normal price for the first child, but will receive \$5 off the second child (or third or fourth, etc.). *Eligible children must share at least one parent or step-parent.*

****All-Girls Team Note:** To be viable, an all-girls team needs enough players. If unable to have an all-girls team at a certain level or an existing team is already full, players who register for all-girls will be placed on a coed team. (This is most likely to affect 15U & older.) It might be possible to have a traveling 8U all-girls team, if there is enough interest. That team would likely play Saturday mornings.

In the fall of 2016, US Youth Soccer implemented nationwide mandates. However, we will be changing roster sizes and game parameters for the 5U-8U teams back to what Iowa Soccer Association required prior to last year's changes. While we're still following the mandates for field and goal sizes for 5U-8U teams, ISA is no longer insisting we strictly follow the mandated team sizes.
